One of Inglewood's original old homes, with massive development ability. On a grand, 1 Acre of land, with 3 Street frontages, the savvy investor has the potential of a 6-block subdivision with the old cottage, still front and centre. The original home has 2 living areas with a solid fuel heater, 3 bedrooms (all original), and a remodeled bathroom for easy access of any elderly or disabled persons, Galley style Kitchenette. Being early 1900's the home also offers an external Laundry along with a detached bungalow. A unique parcel of land suiting that savvy investor.
