## **A Much Loved Family Home**

Located at the end of a quiet cul de sac and enjoying fabulous views of the river and mountain is this much loved family home. Built in the early 1960's this one owner home represents a quality build of the era and the home retains many of the wonderful features such as the timber entry way.

Enter via the large foyer and you will see the good sized lounge area that enjoys the views. Off the kitchen is a second living space that has been utilised as a dining space for the family. There are three good sized bedrooms with the main being a generous size and with built in robes. The family bathroom was renovated some years ago and there is a separate toilet and laundry.

Underneath, there is a single lock up garage with loads of additional storage space and there is room in the driveway for at least one more vehicle. At the rear of the home there is a fenced backyard, veggie patches, bbq area and the property backs onto the council reserve and is also just a short walk to Minerva Park. It's not far to the waterfront and the Shoreline Shopping Centre is just a few minutes drive away.

If you are looking for a well built family home that you can put your own stamp on and start your next chapter, you must view 81 Corinth Street.
