## **Classic, Comfortable, Convenient**

Built with care and quality in 1977, held and treasured by the same family owners ever since, this lovingly maintained three bedroom home conveys the enduring character of its original design and construction in a location offering exceptional convenience. Hardwood floorboards and impeccable presentation accompany spaces in the traditional style of their era that remain entirely serviceable and move in ready today. The appealing proportions of adjoining yet individually zoned living and dining rooms lead to a separate kitchen featuring tiled splashbacks and ample storage while a central bathroom is surrounded by the home's three bedrooms, including a main bedroom with a walk-in robe. A spacious separate laundry and ducted heating complete a property that's accompanied by a low-maintenance allotment, off street parking and options for adding contemporary elements of your own signature style when so desired, close to Newport station, schools and shopping, with The Strand easily reached and the city readily accessed.
