Charming Home with Views and Development Potential

Set on a spacious 716 sqm corner allotment, this charming weatherboard home features two inviting bedrooms and a well-appointed bathroom. The second bedroom opens onto a rear elevated deck through French doors, offering peaceful views of the northern mountain ranges. Inside, polished timber floorboards flow throughout, while the front formal lounge is filled with natural light and warmed by a cozy gas fireplace, complemented by split system air conditioning for comfort all year round. The bathroom includes both a bathtub and shower, with a separate toilet for added convenience. The open-plan kitchen and dining area leads to a practical rear laundry.

Outside, the recently revitalised gardens bring a fresh appeal along with the small garden shed, and chook pen. Additionally, a separate gate provides easy access to the rear of the property for caravan or boat storage. With potential for future development (subject to council approval), this home is well-suited for young families, downsizers, or investors. Conveniently located just 1.2km from South Street Primary School and 650m from the local IGA, Dantes Pizza, and Chemist.
