The epitome of style and quality, this glorious family home has been designed and constructed by QMBA and HIA Award-Winning Townsville builder - Darryl Bogotto Constructions. A local, family run business established more than 30 years ago, with a long-standing reputation for quality workmanship. This is the home to buy. As you step inside, you will be greeted by a well designed floorplan that maximizes space and natural light. The airconditioned, open plan living area extends seamlessly to a rather spacious outdoor, tiled patio/ entertainment area. This patio area overlooks glorious landscaped and irrigated gardens with a gazebo and several fruit trees. A 3x3 metre Colorbond garden shed adds extra storage. To the right of the living area is a formal lounge/theatre room. The Kitchen has a walk-in pantry, dishwasher and quality cooking appliances. All four bedrooms are generous in size, and come with ceiling fans, split-system air-conditioning and built-in wardrobes. The master bedroom is extra spacious and boasts a walk-in wardrobe and ensuite bathroom. As an added bonus, the home has an airconditioned study with a built-in cupboard, which could be used as a fifth bedroom if needed. The bathroom and toilet are separate and a separate hand basin adds even more conveniences. Car Accommodation is by way of a double lock-up, remote control garage. The garage has an extra bonus of a spacious, walk-in storeroom, great for those suitcases and golf clubs. The grounds are fully fenced and to the right there is double-gate side access. This home is within walking distance of schools, both primary and secondary, sporting facilities and parkland. It is also close to shopping centres and public transport.
