Centrally located in the middle of the Rosebud foreshore, directly opposite the Rosebud Hotel, Cafe Strip, Village Green and Rosebud Bowls club comes this recently erected neat as a pin boat shed. This iconic beach accessory is constructed with a steel frame, composite timber exterior, zincalume roof and is slightly elevated to take advantage of the bay glimpses. French inspired decor, with great appeal and low maintenance, this perfectly located beach box could be yours to enjoy all year round. Please note, there is no bathroom.
