

86 Berallier Dr, Camden South, NSW, 2570

Sold House

Thursday, 22 August 2024

86 Berallier Dr, Camden South, NSW, 2570

Bedrooms: 4

Bathrooms: 1

Parkings: 2

Type: House

Quiet location, 556m2 block and tastefully upgraded!

This open plan 4 bedroom home would make a great starting point, last home or investment and is positioned in a leafy location with a good street presents and a large private backyard.

4 bedrooms, all offering built in robes and the 4th with its own separate entry

The renovated kitchen offers plenty of storage space for its size and is socially set to the rear decking and yard areas

The bathroom has been tastefully renovated and includes quality fixtures and tiling work

Outdoors you'll entertain in style under the large pergola with hardwood decking that overlooks the large backyard with garden shed & aviary.

Extras include: Reverse cycle ducted air conditioning, LED downlights, easy care laminate flooring, large double carport and great views to the rear of the property.
