Nestled within the serene landscapes of Ilbilbie, 875 Greenhill Road presents an idyllic haven for families, first home buyers, or discerning investors seeking the quintessential country lifestyle coupled with modern comfort. This charming low set brick home, constructed in the early 2000's stands proudly on an expansive 5-acre plot (approx. 2 hectares), offering a tranquil retreat from the bustle of city life. As you step inside this delightful abode, you'll find three well-appointed bedrooms and a practical bathroom, perfectly designed to accommodate a growing family. Solar panels adorn the roof, a testament to sustainable living and energy efficiency. The heart of the home features a built-in fireplace within the cosy living room, providing a warm and inviting atmosphere during cooler evenings. Entertainment options are abundant with a large deck, perfect for hosting gatherings or simply relishing the peaceful surrounds. The property boasts a commodious shed complete with a carport that presents an opportunity to be converted into a granny flat or a dedicated workshop, adding immense value and versatility to this already appealing package. Car enthusiasts and hobbyists will appreciate the ample parking space, with enough room to accommodate up to 8 vehicles. The sustainability of this residence is further enhanced by 2 x 5000-gallon rainwater tanks, ensuring a plentiful supply for both the household and the verdant grounds. Embrace the opportunity to own a piece of Ilbilbie's picturesque landscape at 875 Greenhill Road—a perfect blend of rural charm and modern living awaits. More photos inside coming soon.
