Victorian delivers a stellar lifestyle

Thoroughly loveable, this two bedroom Victorian embodies a beautiful blend of original grace and contemporary appeal in a winning locale, rich in lifestyle allure. On the nights you can resist the call of the city you'll love relaxing in the open plan kitchen, meals and living, featuring Smeg and Asko appliances and sleek granite surfaces. A wide rear glass aspect welcomes in natural light and opens to a private courtyard, excellent for entertaining. Restful bedrooms, presenting decorative fireplaces and built-in robes, share a sparkling bathroom highlighting a frameless glass shower and separate bath. Lofty ceilings, a corbelled archway, deep cornices, polished floorboards, heating and cooling add elegance and comfort. Poised in a tree-lined street, the home finds cafes, bars, vibrant Smith Street, Brunswick Street and a range of transport options nearby, plus it's within easy reach of parkland by the banks of the Yarra and the very heart of the city itself.
