This is the home you've been looking for. There's actually two to choose from, but don't miss out. This brand new 5 bedroom house with single garage will be perfect for your family. The stunning facade and ideal location are just the beginning. Enter directly through to the front formal sitting room, with tiled flooring throughout the whole ground floor. Straight away you will find the ground floor bedroom, complete with separate ensuite, perfect for those who prefer the ground floor. You will also find the powder room downstairs, and separate laundry with stone benchtops and built-in cabinetry for ample storage. Follow the sunlight through into the open plan kitchen with stainless steel appliances and timber laminate cabinetry. Cook up a storm on the ceramic stove top and under-bench oven, and the large stone-top island bench is perfect for breakfast. The expansive space includes a dining and rumpus area with glass sliding doors that open out to the sundrenched backyard. Outdoor entertaining will be a breeze with the undercover alfresco area that includes cabinetry and kitchen sink with taps. This overlooks your large low maintenance backyard with fresh lawn, for the kids to enjoy. Located in prestigious Cabramatta West, this home is a short walk to Harrington Street Public School, local shops, parks, and many other amenities. Upstairs, you will find quality timber flooring throughout the bedrooms. The master bedroom has sliding doors onto the balcony that overlooks the park. Your full size ensuite and walk-in wardrobe completes the master suite to perfection. The 3 other bedrooms upstairs are spacious, with 2 having built-in wardrobes. Use the one bedroom as a study if that suits. The property is just about ready for your family to move in. Don't miss out!
