An immaculate family home located in a quiet cul de sac of the popular Fairview Park Estate. The floor plan consists of 5 bedrooms, ensuite, study & 3 living areas. The home is kept comfortably warm and cool by ducted natural gas central heating and 2 split system reverse cycle air conditioners. The main bathroom has a corner spa and there are extras such as a security system, wired NBN network and attic with pull down ladder. A back to grid solar energy system will help with your power bills and an electronic irrigation system takes the hard work out of watering.
