Historic Homestead Circa 1885 on 2033m2

This massive, restored two-story character home consists of five bedrooms, two bathrooms, study/additional bedroom, huge living areas, a vogue country kitchen with polished timber and high ceilings all set on a level 2033m2 block.

With wisteria flowering on the front verandah the charm of this property is evident with rustic open fireplaces, high ceilings, large spacious bedrooms and a stunning country kitchen with around 330m2 of living space.

Upstairs can easily become a guest wing or teenager's retreat. With a large family area and huge bedroom and the adjacent bathroom at the base of the stairs.

It also includes a modern laundry, large walk-in pantry and an extensive garage and workshop with provision for over 6 cars to park.

There is room for a tennis court or a pool in the back yard. And is situated in the old historic section of the township.

This exceptional quality of property rarely comes on the market and inspections are strictly by appointment.
