Panoramic bush views and spacious family living

Relaxed, spacious living awaits in this superb three bedroom family home with breathtaking panoramic National Park views. Families and entertainers will appreciate the generous open plan living, dining and kitchen that flows effortlessly out to a large alfresco entertaining area. Quiet and peaceful, it offers the added functionality of a sizeable rumpus/second living and home office space.

- Open plan living, dining and kitchen w/split system a/c and stunning outlook
- Large alfresco entertaining area with outdoor sink and panoramic bush views
- Stylish kitchen with induction cooktop, dishwasher and lots of storage space
- Three bedrooms, two with built-in robes and access to the alfresco balcony
- Expansive downstairs rumpus/second living room and separate home office
- Double carport, under house workshop, additional rear carport and shed
- Solar hot water, solar panels, water tank and pump, large scenic backyard
- Peaceful location close to popular walking tracks, local schools and transport
