Position Position - 1 minute to the Beach

An envious location, just a very short 1 minute stroll to the blue waters and golden sand of Anderson Inlet (only 200 meters) and an amply sized high block of land with an established home, currently rented out, and a back yard that is a blank canvas should you want to extend.

- Single lock up garage + carport
- Large east facing decking
- 578 m2 approx. allotment

- Solar panels
- Reverse cycle air con

- Wood heating
