Located in a beautiful quiet street in East is this extremely well maintained 2 storey home. Featuring three bedrooms or fourth (if you wish to use the third living/office as a 4th), lounge with gas heating and split cycle on the ground floor and a huge second living area upstairs with adjoining master bedroom, ensuite and WIR. The ground floor also encompasses a kitchen/meals area that has direct access to the single width tandem remote garage. The big bonus is the second double garage and workshop. This home has plenty of features and is ideal as is or add some modern touches to really make it a brilliant family home. Inspect today!
