Gorgeous three bedroom bungalow with very large air-conditioned master bedroom located in one of Coorparoo's best locations. Beautifully maintained by the owners, this property is cut above many on the rental market. The quality shows in the classic kitchen which is equipped with Blanco appliances and the stylish plantation shutters used for window treatments. The living area whilst not huge is also accompanied by the extra closed in verandah and well-lit dining room, creating a decent sized combined area. The covered rear deck takes in tree-lined views and a lovely breeze, whilst the low maintenance grounds are fed by a 3000lt rainwater tank. Located just a few minutes from Coorparoo central with shops and stores, you will only be about 10 mins from the City. Call us today on: (07)32496868 to arrange your inspection.
