Superb Family Home with Stunning Views

A home to fall in love with, this gorgeous residence in one of Gisborne's most sought-after neighbourhoods captures panoramic views of the Macedon mountain ranges - whether enjoyed from the front veranda, the lounge, or the master bedroom's box bay window. Enviably positioned to the high side of the street on an elevated 748m² (approx.) the home exudes romantic charm, introduced by high-stemmed roses, Buxus hedging, professional landscaping, and retaining walls.

The welcoming front veranda opens to the thoughtfully designed home, where matte hewn Bamboo flooring adds a modern touch while complementing the overall timeless aesthetic. Open plan meals and living areas flow from the stunning kitchen featuring plantation-style cabinetry, a dedicated island, and stainless steel appliances including a 900mm Technika oven with a 6-zone cooktop and an ASKO dishwasher, while a spacious walk-in pantry provides endless storage. These open-plan living areas seamlessly interact via glass sliding doors to the outdoor entertaining area and lovely rear yard, complete with a lawned area, a sandpit, and the cutest cubby house ever for the kids!

Spacious bedrooms include a master bedroom (capturing those breathtaking views) that includes a walk-in robe and luxe ensuite. Two additional bedrooms with built-in robes provide comfortable accommodation. Bathrooms continue the home's classic theme, featuring charcoal floor tiles and crisp white walls. The main bathroom features both a shower and bath, with a separate toilet for added convenience, while the laundry reflects the same elegant colour scheme.

This dreamy home also includes a double garage with a rear roller door to extra parking, ducted heating, and evaporative cooling. Located close to a reserve and playground, Willowbank Primary School, childcare centre, and Gisborne township shops/cafes, this is a special home where comfort and style coexist, and where the beauty of the Macedon Ranges is always on display.
