Fabulous Water Views, Location and Dual Use!

This circa 2018 home has been designed to take full advantage of the superb river mouth and ocean views as well as providing two separate uses. On the ground floor is a fully self contained Airbnb or rental unit and on the upper level is a two bedroom stylish home with open plan living dining kitchen, all enjoying the superb water views.

Located less than 300m from the hotel and supermarket, and less than 400m to the Hardy Inlet, the location couldn't be better.

If you are looking for a holiday home that can also provide a holding income by renting the downstairs self contained unit, or an investment that potentially can provide an exceptional income then best you come and check this one out soon! Call us now to arrange a private viewing.
