BUNDALONG OASIS!

Upon entering the property you will be greeted with a grand entrance, showcasing an avenue of ornamental trees complimented by lush lawn and an array of established gardens which provides a resort like feel.

The large north facing double brick family home has been sensibly positioned on the one acre approx. allotment allowing ample natural light to flood the residence which comprises large open plan kitchen / meals and living area, five bedrooms (ENS & WIR to Master) and semi enclosed outdoor entertaining area.

Addition features: DLUG with additional storage, two split system air conditioners, wood fire, ducted vacuum system, 20 solar panels, veranda surrounding 3/4 of the residence, automated sprinkler system fed from River water, dog run, several garden sheds and a large 20m x 7.5m approx. shed / workshop enabling storage for large boats / vans.

A truly remarkable property suited to large family living, entertainer, retiree or holiday maker positioned directly behind Watts Café and a very short stroll to convenient store and the Bundalong Tavern.
