## **Under Contract**

Situated in arguably, the most sought after pocket in Eagle Vale you will find this deceptively large home boasting four double sized bedrooms all with built in robes and your choice of a 5th bedroom or study which is a conversion constructed using space from the garage. The master bedroom features both an ensuite and built in robe. To greet you upon entry you will find a large formal lounge and dining with the bonus of a built in bar and a gorgeous open planned kitchen with Island bench top, gas cooking and stainless steel appliances which sure to impress even the most astute of buyers. With extra living being on top of many families agendas, the spacious rumpus room to the rear of the home will be sure to WOW you with the added bonus of open living, leading out to the enormous outdoor entertaining and BBQ area. Don't wait! Be sure to book your inspection today.
