9 Stockwhip Way, Lake Crackenback Dual key Ski Chalet with unbeatable views

Nestled in Lake Crackenback Resort, this contemporary chalet offers a tranquil escape. With uninterrupted views overlooking mountains and bushland, it's a serene retreat with native wildlife as neighbors.

The dual-key residence features modern amenities and homely living. Its unique design blends seamlessly with the surrounding architecture.

The main chalet has two spacious bedrooms, each with an ensuite. The ground-floor bedroom is convenient, while the loft offers stunning views. The open-plan living area is bathed in natural light and features a central kitchen, dining area, and cozy lounge. Sliding doors lead to an outdoor entertaining area.

The adjoining studio, more like a one-bedroom apartment, offers a separate and private space as well as the ability to open onto the main chalet for larger families. It features an open-plan kitchen and living area, centered around its own fireplace, and boasts unbeatable picturesque views.

Both the chalet and studio provide ample parking with secure garage allocated to the chalet and studio, as well as ample driveway parking. This exceptional property offers the perfect opportunity for a mountain getaway, with the option to rent one side and retain the other as a private holiday retreat.
