Substantial size and endless class are the main constituents of this three bedroom home on an easy-care allotment. A winning version of the best in show, this singular home perfectly positioned to local cafes and High Street shopping, near Thomastown Station, buses and schools, promises the best in modern living. Ideal for a fine first family or equally attractive downsizer, this stylish home features spacious bedrooms with built-in robes and a chic two-way bathroom that showcases black tapware and high-end fixtures. Tiled floors line a spacious living and dining domain that spills to alfresco rear gardens. And the stone topped designer kitchen features a full suite of appliances and strip lined pantry that will help the gourmet cook whip up a feast. Add to this ducted heating, evaporative cooling, an alarm and garage that currently houses storage. In a family-friendly setting near local parks and schools, inspection will impress.
