Sale by SET DATE: Tuesday 30th July at 2:00pm (unless sold prior)Are you looking for a property with absolutely nothing to do? A property that has been completely renovated with perfection in mind? One that has not only been renovated but well thought out? Well, you can stop scrolling because you've just found your new home. Stepping onto the block, every detail has been well thought out and taken care of. Immediately you'll notice the painted driveway, manicured & landscaped gardens with composite timber front fence and Colorbond fence up the driveway which means low maintenance for the next owner. A double carport which makes things nice and convenient when unloading the groceries and children while being protected by the elements. Stepping into the home itself you'll be instantly greeted by that "wow" factor. The chocolate brown stained timber floors, off white walls, the high 2.7m ceilings, and all wrapped with plantation shutters like a warm hug create this sensational beauty. The modern open plan lounge and dining circles around the heart of the home with the well-appointed kitchen. With its 60mm marble stone waterfall benchtops, European appliances and the top-of-the-line induction cooktop, this kitchen will turn any person into the master chef of the house. All bedrooms are good size, with built in robes and double linen cupboards giving you extra space to store your items. Completing the inside of the house is the fully renovated laundry and second powder room. Moving outside you've been gifted this magnificent alfresco area which is perfect for entertaining or even enjoying dinner outside on those warmer nights. The property has plenty of space for the children to run around in and enjoy. Finishing off the property we have the absolutely massive 12.5m x 5.2m garage with remote which would house an abundance of toys from cars, caravans, boats, trailers, the list goes on. Even if you were wanting to turn half of it into a man cave or office space, the options are limitless. Everything has been well thought out from its magnetized door handles and latches through to its modern conveniences with split system heating and cooling units, and ducted heating throughout. Located in a convenient location close to primary and secondary schools, shops, the freeway just around the corner, and only moments away from Dandenong Central where you've got buses and train stations - everything is at your fingertips. Come and say hello at the next open house inspection. We would love to see you there! Inquire now.
