Refreshed Interiors Shine in this Well Laid-Out Home with Studio

A perfect first step onto the property ladder or an equally exciting investment opportunity, this refreshed home combines comfort and style with ease.

Its canvas of timber floors and crisp white décor is enhanced by a modern and stylish aesthetic that flows from room to room. A great internal layout boasts three bedrooms, a spacious living room and a dining area off the kitchen, with a dedicated office at the front and a separate studio creating more versatile spaces. A spotless gas-equipped kitchen has provisions for a dishwasher and a clear view over the blank canvas backyard.

On a corner block opposite Wallsend Park and Oval where you can take a pathway through to Wallsend Village and Cowper Street's shops and cafes, you'll enjoy the benefits of living in a walk-to-everywhere location.
