Indulgent Space, Exceptional Design and Craftsmanship

Masterfully constructed by the well-regarded local company, PJN Building Developments, just four years ago, 9 Winlaton Way, Woodend is worlds apart from a standard volume-build and a work of thoughtful design, passion and attention to detail.

A bright red 2.4m solid timber door leads you into a generously wide hallway with 2.7m ceilings, setting a tone of spacious ambiance for this magnificent 23 square house (with a total of 30 squares under the roof). Quality appointment throughout adds to the obvious appeal.

Nestled in a lively family-oriented neighbourhood, just 1.7 km from the heart of Woodend, and only 1.4km from the train station. Land size 600 m². Character, Space and Quality Construction are the Buzzwords Here.
