\$310 per week

This spacious family home has 4 good sized bedrooms with 3 bedrooms having their own split system heating and cooling for year round comforts. Generously sized lounge area offering a comfortable space for family gatherings, following on to a practical home office study. The Kitchen and dining area offers electric cooking and has ample storage and bench space. The compact, but functional family bathroom features a separate bath and shower. Exterior Laundry area offers a second shower and toilet for added convenience. Rear lane access to secure parking in the large back shed. Please submit your rental application online, and you will be contacted for an inspection of the property if your application is shortlisted.
