#PictureThis: Discover the perfect blend of modern comfort and serene country-style living with this stunning 4-bedroom home in Frankston on a huge block of approximately 1,106sqm, with endless possibilities. **#WhatYou'llLove:** Recently renovated, the kitchen boasts sleek stainless steel appliances and a convenient gas cooktop with a large oven, ideal for culinary enthusiasts, separate from the main living area. Upstairs, retreat to a spacious master bedroom complete with an ensuite and walk-in robe, and step out onto a balcony offering breathtaking treetop views, a second bedroom upstairs features a connected ensuite/bathroom, perfect for use as a nursery or parents retreat. Step outside through the dining space or large laundry to an indulgent alfresco, to be used all year round with a built-in spa and BBQ, enjoyed around a wood fire, nestled in a large backyard that evokes a tranquil countryside atmosphere. Additional highlights include large bedrooms with built-in robes, a versatile studio out the back with power, perfect for use as a study, children's playroom, or even a 5th bedroom. A double garage with a workshop provides ample space for hobbies and storage, complemented by the privacy of automatic gates securing the property. Inside, enjoy year-round comfort with gas ducted heating, evaporative cooling, and ceiling fans throughout. **#WhereYou'llLive:** Located just minutes from Frankston Hospital and a short drive to Frankston Central, the beach, the freeway, and in the highly sought after Frankston High School zone. This residence truly combines the best of suburban convenience and rural tranquility, offering a lifestyle that is both peaceful and practical.
