All class and featuring plenty of design highlights, this substantial well-planned and executed home offers a pleasant setting on a manageable lot, with a lovely private outdoor entertaining area and sunny aspect backyard. Enjoy early morning strolls to the scenic parkland lake just down the street and relish having shops, education hubs and a cinema and more close by. The deck entry reveals an elegant coffered ceiling foyer, with a striking chandelier and access to the plush and enticing coffered ceiling, west-facing lounge. This is complemented by a fabulous rear double French door media room. And when you also consider just how spacious the central dining and living area and superbly appointed coffered ceiling kitchen are, it becomes obvious how well this property would work for a family, or an investor wanting to attract quality tenants. Polished porcelain tiling throughout key areas adds additional glitz and glamour to the home. There is certainly nothing pedestrian about the bedrooms either from the elegant king master suite, with walk-in robe and separate toilet ensuite to the queen family bedrooms with robes. Even the laundry has excellent storage and the main bathroom should keep the kids happy. Outdoors offers a spacious, private alfresco deck, where you can relax or party and enjoy the sights and sounds of the water feature wall. Beyond is a sunny aspect, manageable yard, with a greenhouse, raised vegie beds and thriving avocado tree. Essential viewing in its price range.
