SOLID FAMILY HOME IN SOUTH

Discover the perfect blend of comfort and convenience in this delightful brick home in South Tamworth. Built on approximately 702sqm block and with the north-facing design this allows the natural light to flow through the formal living area and main bedroom. Offering three generous bedrooms, all with built-ins, formal and informal living, dining off the kitchen and a third living area at the back. Other features of the property include ducted reverse cycle air-conditioning, solar power system and solar hot water. The fully fenced backyard has a 3.5m x 6m shed with power, water and workshop area at the back. Car accommodation is also taken care of under the 4m x 13.5m tandem carport. Walking distance to Robert Street Shopping Village that has an IGA, chemist, bakery and take away shops. Ideal for the first home owner or the first time investor with a possible \$420 - \$440 a week rental return.
