Attention investors and extended families!

A truly rare opportunity to secure yourself not one, but two dwellings situated on the East-Side of Windang and only footsteps to the Lake Illawarra Foreshore. The four bedroom family residence is stunning on its own, but the property also features a fully contained two bedroom detached granny flat to the rear of the block.

Some of the family home features include..

- Gorgeous high ceilings with an abundance of natural sunlight with stunning timber flooring throughout
- Four generous size bedrooms plus two spacious living spaces, thoughtfully split over two levels
- Custom built kitchen with quality stone bench tops, stainless steel appliances and breakfast bar
- Covered outdoor entertaining area off the bar/rumpus room, overlooking the sparkling inground pool
- Oversize carport plus ample off-street parking

The detached granny flat is positioned beautifully to the rear of the block and also looks out over the inground pool and small grassed area. Just far enough away allowing space and privacy for everyone!

Just moments to Lake Illawarra Foreshore, Windang Beach, clubs, local schools, cafes and parklands, perfect for the whole family!
