This super cute 3 bedroom brick and tile home is just waiting for a new owner. The land size is an impressive 813sqm and is a hop, step and jump into the heart of Byford with restaurants, shops, new train station and so much more. There is a huge powered workshop with 3 automatic doors and a large patio for outdoor entertaining. This little home needs some TLC but the bones are great and well worth the effort required to turn this into a beauty. A slow combustion wood fire and air conditioning are there for your comfort. The zoning is MIXED USE that opens up a world of possibilities now or in the future. Call JENNY BOSMA to arrange a viewing - 0428 925344
