A quality newly built home by Garron Homes enjoys a spectacular outlook of the picturesque wetlands. Move-in ready, the home offers three good-sized bedrooms, including the master with a walk-through robe and ensuite, while the two additional bedrooms are fitted with built-in robes and share a family bathroom. The open-plan living zone incorporates the kitchen, family and meals area that extends outside into the alfresco area – this is the perfect place to entertain family and friends and showcase the beautiful vista. Other features include an open study/home office at the front of the home, split system air conditioning, vinyl flooring and direct internal access from the remote double garage. We suggest you come and see this property for yourself, so give Brett Glover a call on 0408 384 147 to arrange an inspection.
