This 4 Bedroom timber home has 1 bedroom with built-in cupboards. Office which provides access to the upstairs toilet. Kitchen with electric stove, adjoining dining area. Formal lounge room. Bathroom with shower vanity and storage cupboard. Linen cupboard. Downstairs is a large living / rumpus room, providing entertaining and living space for the whole family. There is a split system air-conditioner. There is also a second toilet, second shower and laundry downstairs. The undercover outdoor living area is a large area for outdoor entertaining. It is also suitable for single vehicle parking. The original outdoor laundry has been moved to the back of the yard and has a concrete slab and would make an excellent studio for art or craft. 6m x 9m shed with concrete floor, 2 car access has power connected and some shelving. Yard fenced on 2 sides. This well-maintained family home has only had one owner and is well located in Campbell Street, close walking distance to the shops, school and sporting facilities.
