Ondit Cottage

Nestled away in a private setting is this quaint cottage less than 10 minutes out of Colac. The property provides a wood burner and split system air conditioner to accommodate all climates. It has three bedrooms, one bathroom with a step in Shower/Bath, separate Kitchen, Lounge and Laundry. Master bedroom has two free standing wardrobes and there is a dining table and chairs provided. Close to Beeac to enjoy a meal at The Farmers Arms Hotel, definitely worth a look. Water is included in the rent and you already have a starter pile of firewood to enjoy in the winter months.
