Dean Wilson

Family Home With The Lot - 5610m²

Welcome to Teesdale, you've found the one!

This stunning Simonds built home has it all, 4 bedrooms, 3 living rooms, open plan kitchen and beautiful inground pool with undercover alfresco. Plus the rear paddock with shed!

Walking into this 8 year old home is just a pleasure, starting right from the front door with its wide entrance. Turning left takes you to the remaining bedrooms, with all 3 having walk in robes, ceiling fans and very generous in size. Next to the bedrooms is their own separate lounge room or study and family bathroom with separate toilet.

From the front door if you went straight ahead, it opens up to the big family room with wood fire, perfect for those cosy evenings before the kids go to their rooms. Then after that is the open plan kitchen with walk in pantry, plenty of storage, gas cooktop and island bench overlooking the pool. Wait till you see that! The kitchen also adjoins a dining area and then onto another living room, perfect for the adults. The huge master suite has walk in robe, full ensuite with double vanities and separate toilet. This retreat overlooks the rear garden and then onto the big horse paddock with shed (10m x 9m) and high roller doors for the float or caravan. Double garage attached to the house with internal access.

The pool area is elegantly private, flowing on from the alfresco area. Computerized salt chlorinated so the hard work is done for you. Established gardens, private retreats, plenty of room to enjoy,

The questions are... why would you build and when do you want to move in? Welcome home.
