Move In - Nothing to do!

attended to! This meticulously maintained 4-bedroom home is a testament to care and comfort, requiring nothing more from you.

Featuring four generously sized bedrooms and two expansive bathrooms, the residence exudes a light and airy ambiance, showcasing the attentive upkeep it has received. Enjoy the modern convenience of near-new air conditioners, ensuring a pleasant climate throughout. Security is a priority with Crimsafe installed on the three main doors, providing peace of mind.

Outside, the garden is adorned with well-established plants and shrubs, requiring minimal upkeep. Side access adds a practical touch, accommodating your boat or caravan with ease. The home's strategic location near the motorway, shops, and hospital, along with its convenient bus line access, enhances its appeal.

A garage with additional storage space adds to the practicality of this residence, ensuring ample room for all your belongings. Your new home awaits, offering a harmonious blend of comfort, convenience, and thoughtful design.
