It seems these days, the newer the property the smaller it is. No need to worry about that any more, this home is loaded with room to move throughout with a massive master bedroom with WIR and separate ensuite, which is still big enough to accommodate a king size bed, all other rooms can take double beds easily which makes it perfect for a share house with friends or a growing family looking for extra space. This lovely and very quiet home has been built overlooking the bushland at the rear of the home which makes a beautiful backdrop for you to entertain friends or family under the rear patio whilst also enjoying privacy provided by having no rear neighbours at the back of the home there are no neighbours top front (currently) and is the second last house in the cul-de-sac - just perfect. Features Include: * Big bedrooms * 3 minutes to Northshore Shops and Schools * Fully air conditioned * Security screens * Fully irrigated * Double side gates * Private rear yard * No front neighbours * Cul-de-sac living * Pet friendly Please call 4725 8899 for an inspection or send an enquiry.
