The City of Melville sits upon the shore of the Swan River in Perth, Western Australia. It is home to 102,393 people, living in 41,285 dwellings\*, and a diverse and multicultural community which enjoys a rich built and natural heritage, a blend of retail and business precincts, an abundance of opportunities for physical and social activity, open spaces set within a unique natural landscape. At Residential Attitudes, we believe that homes should be an extension of those who live within them, not a box to put their lives within. They should be a reflection of your history and habits; characters and quirks; preferences and personality!

**Peakaboo Palace Design** A luxurious double-storey family home designed to perfectly fit inner city rear blocks. Your palace awaits, ready to bring your dreams into reality. Super sleek skillion elevation offers a modern architectural design that adds a touch of sophistication to the exterior. Inside, the space is just right for families of all shapes and sizes. The ground floor is dedicated to a lavish master suite, providing a private and comfortable oasis for the parents. Being able to retreat into this modern space brings a sense of calm whenever needed.
