RIVER FRONT LUXURY

Multi-Generational Waterfront Haven

Step into a realm of timeless elegance and modern luxury with this breath taking tri-level estate, ideally situated in one of the most coveted and affluent addresses in Attadale. Designed to accommodate multiple generations, this opulent home blends sophisticated comfort with unparalleled convenience. Perfectly positioned towards the waterfront, it offers stunning views of tranquil waters and open space from every level. Creating a serene backdrop for everyday living and entertaining. Enjoy the luxury of your evening bath while admiring the acres of green parklands. You'll seasonally witness a huge array of colours when the passing spinnakers make their journey down the Swan. The beauty of magnificent sunsets over the blue waters are some of the little treasures you get to experience.

The home's design is a masterclass in elegance and functionality, with versatile living spaces thoughtfully crafted to ensure privacy and comfort for every family member. Each level features its own distinct living area, including a separate suite with a private entrance that's perfect for guests or extended family. This layout allows for seamless multi-generational living while preserving individual space and privacy. The expansive open floor plan highlights the grandeur of the home, with high ceilings and large windows that invite natural light and offer spectacular views of the facing waterfront.

At the heart of this luxurious estate is a chef's dream kitchen, featuring premium appliances, custom cabinetry and sprawling bench space that's perfect for culinary creations and casual dining. The open design ensures that hosting gatherings and family meals is a pleasure, with ample space for entertaining and relaxing. The home's various entertainment options include a large balcony on the first floor opening to an outdoor living area designed for ultimate enjoyment. The backyard boasts a low-maintenance garden, a sparkling pool, an ideal setting for both intimate family gatherings and grand celebrations.

The master suite is a sanctuary of comfort and style, complete with a resort like ensuite bathroom, a generous walk-in closet, and an exclusive experience that offers panoramic water views. Each additional bedroom is elegantly designed. The home's two-car garage provides ample space for vehicles. Designed for effortless living.

This extraordinary estate is more than just a home-it's a sanctuary where luxury meets practicality, making it the perfect choice for those seeking a harmonious blend of elegance and functionality. Contact Jesse Andre today to schedule your private tour and experience the unparalleled beauty and comfort this exceptional multi-generational waterfront home has to offer.
