Your Perfect Beach Box Awaits!

Nestled on the edge of the picturesque Rosebud foreshore among lush native vegetation, this well loved beach box is waiting for you!

Boasting a double opening door, it invites the refreshing sea breeze to flow freely, creating the perfect coastal sanctuary.

Enjoy a BBQ on the beach with friends and family and then once the day is over pack everything away to be stored in the beach box.

Located directly opposite KFC and McDonalds, simply walk across the road to shops and cafes or to Rosebud Hotel leaving your car parked in the car park directly behind the beach box.

Positioned right next to the Sea Scouts hall and within a few steps to the Rosebud yacht club and a short stroll to the pier, you can enjoy memorable summer days and balmy summer night at the beach while watching the kiddies play in safety.

Call us to arrange an inspection today! Don't miss out on this great opportunity to secure you very own beach box on the Mornington Peninsula.
