Hi, I'm Bowden's Finest...

Final allotments now selling!

In the heart of Bowden, this is E78.

It is as much a destination as it is a neighbourhood, commanding prime location just moments from North Adelaide, The Parklands, trains, trams and the inner west's eclectic arts' scene.

Life at E78 puts you at the centre of everything that's exceptional about Adelaide's vibrant Inner Northwest. The urban villages of Bowden and Brompton, with their popular cafes, shops and community spaces are already firm favourites with those seeking the new, the fresh and the inviting, while across the swathes of lush green fairways, sits gracious North Adelaide renowned for its fine dining, cosy pubs, historic cinema and array of boutiques and specialty stores.

Unique eateries, supermarkets and boutique coffee shops providing for your everyday needs and life's important luxuries. There is always something to do at Bowden with Plant 3, hosting Bowden cellars and brewery, and Plant 4, with its weekly maker markets.

Luxurious 3 bedroom 2 storey town houses, offering modern city living for families with Emu Park a short stroll away. The town houses will face the newly created pedestrian friendly public laneways and a redesigned 8th Street. Light and airy with a sense of innate comfort, the town homes combine elegant styling with clever detailing to deliver exceptional design and absolute liveability.
