CONSUMER PLEASE NOTE Consumer please note: Stroud Homes is not a real estate agent, cannot sell land and will refer you to a licensed agent to complete any land purchase. Stroud Homes has used the price (as advertised by local real estate agents) for the block of land referred to in this package. Using this advertised price allows us to helpfully provide you with a price that is more realistic because we've tailor fit the home to the land - considering site works, water and sewer pipe and electrical lead - in lengths and other site specific items.
