The Lakeview range offers a series of clever home designs that have been thoughtfully crafted and designed to maximise living space, striking the right balance between open living and private retreat. At the front of the home you'll find an open-plan family living zone, including designer kitchen, walk-in pantry, covered alfresco and patio at the front. Extending off the Alfresco is the private central courtyard, ideally suited to outdoor living with various purposes such as a pool or garden and provides light and cross breezes throughout the home for comfortable family living. Wrapping around the central courtyard, to the rear of the home, you have a choice of three or four bedrooms, stylish main bathroom and ensuite, a media room and a separate kids activity zone. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! For further details contact G.J. Gardner Homes Warrnambool on 03 5560 5588 or wayne.densley@gjgardner.com.au
