Hibbard Homes Port Macquarie is pleased to announce the sale of its display home located at 6 York Street, Thrumster, for \$849,000. We will unveil a new display in 2025. This home is situated on a quiet street in an attractive precinct surrounded by other display homes. The community is well-maintained, featuring clean streets, beautiful parks, and plenty of green spaces. The local shopping center, just minutes away, offers dining options, beauty services, and a gym. The region is also home to many quality schools. One of the standout features of this home is its sizable land, measuring 649.8m² with an 18.495m frontage. This provides easy access to the rear of the property on both sides. Upon entering the home, the spacious entryway immediately catches your eye. As you proceed, you pass the Bedroom 1 suite and the Media room before reaching the Kitchen/Family area, which seamlessly extends to the covered outdoor Alfresco area. This is the perfect spot to enjoy warm evenings with a great Australian BBQ. Off the kitchen, you enter the bedroom wing of the home, which includes three bedrooms, an Activity room, the main bathroom, a separate WC, and a laundry. This thoughtful layout ensures that every family member has their own space and privacy while also providing ample areas for family gatherings and entertainment. Don't miss the opportunity to own this exceptional home in a vibrant and convenient community.
