\$865 per week

This attractive, modern home will impress! It is spacious and very nicely presented. Plenty of room for the family, It features 4 bedrooms and a study nook. The gourmet kitchen overlooks the backyard and large undercover alfresco area. There is separate laundry, double garage and attractive front garden. Brand new ducted air conditioning and solar panels on the roof. Riverstone Crossing is a unique location where residents can enjoy the communal facilities such as two swimming pools, function room, gym tennis/basketball courts. There is also a Security service which patrols the area.
