The Kuranda is a two-storey family home with a flowing well thought out floorplan with multiple living spaces, that create a sense of space within the home. Elegant and efficient economy of spaces allows all members of the family space for privacy and entertainment. The open plan living zone on the ground floor is the heart of the home, comprising a designer kitchen, walk-in pantry, family, and dining areas and is seamlessly connected to the outdoors and alfresco area to make entertaining a breeze. A separate lounge and office provide additional spaces to relax and unwind. Upstairs features all four bedrooms, family bathroom, and a central activity room suitable for a private family space or kid's zone. The large master suite allows for its own sitting area and is complemented with an ensuite and walk-in robe. Allow yourself to imagine the lifestyle you've always wanted; in the home you deserve! The Kuranda offers individually crafted facades that will inspire you by providing a choice of homes that reflect your personal lifestyle and preferences. For optimal site use, this design is best positioned on sites with the north aspect towards the rear & side of the home, providing sustainable and comfortable living conditions throughout the year.
