**Super Opportunity to acquire 694m<sup>2</sup> of Land.**

This great block is beautifully located in a cul de sac in Peterborough, the block has a building envelope of 306m<sup>2</sup> giving loads of room to build. There's nothing quite like Peterborough, it really is a hidden Gem, you can walk everywhere.

Peterborough is one of the most majestic seaside towns along the Great Ocean Road, so much to do Golf on the links course, Surf, Dive for Rock Lobsters ride or walk the miles of tracks.
