Prime Rural Property on Russell Island

Welcome to your slice of paradise on Russell Island, situated in one of the most sought-after blue-chip areas. This exceptional 4.69-hectare property boasts a high-elevated position overlooking the tranquil Canaipa Point Passage. With a substantial portion of the land already cleared and easy access via gated entrances, this property presents an ideal canvas for your dream home or development project.

Key Features

Tranquil Location

Enjoy the serene beauty of Russell Island from a secluded and elevated position, ensuring privacy and peace.

Ample Space With 4.69 hectares of land, there is plenty of room to create your dream lifestyle, whether it's a private retreat or a full-scale development.

Cleared Land Much of the land has already been cleared, offering ease of access and versatility for various construction or landscaping endeavors.

Easy Access The property is easily accessible via gated entrances, providing security and convenience for residents and visitors alike.

Potential Uses

Build your dream home in a tranquil setting where you can escape the hustle and bustle of city life and enjoy uninterrupted views of the surrounding natural beauty.

Development Opportunity: Explore the potential for a full-scale development to cater to residents seeking a premium island lifestyle. Whether it's luxury villas, eco-friendly retreats, or recreational facilities, the possibilities are endless.
