2370m2 Half an Acre, Amazing Views... Extremely Rare Find!

Million Dollar views!!

Amazing and rare opportunity!!

Highly recommend buyers to stand at the top of this block to see the views you can enjoy for a lifetime!!

Beautifully elevated and just under the Hummock Lookout Point, enjoy an ever-changing landscape of farmland and ocean views from one of the highest points in Bundaberg.

A view that you cannot get anywhere else, this large 2370m2 block of land at the top of the Hummock calls for something truly special.

Halfway between city and coast, it is ideally located for commute all over town. A quiet street with no traffic noise, very private and serviced by town water supply.

An opportunity presents itself to make the most of the steady incline on the block, maximising the potential for stunning views and breezes from every room of your home.

The morning sunrise over the ocean is stunning and the city lights at night are just as breath-taking. No photo can do justice to the view.

Best see for yourself or contact Michael or Corey today for further information and to be kept fully up to date.
