WHY THIS LAND?

The seller has commissioned drawings from one of Perth's best architects to fit the newly approved envelope for this land, to give you an idea of what could be.

What does this mean?

It means you will have the best view on the block with approval to build at the top of the hill to take in Perth's picturesque views that you don't normally get in Lower Chittering.

This is the best lot in the area and it will not last long.

Don't let this be the land you think about in 10 years time, there's no time like the present to **MAKE IT YOURS**.
